Facilitators Rotate Monthly

Have you or your child been evaluated but you can't understand the report?

A new monthly service for members only is offered by the NY Branch that will help you understand the evaluation. Two professionals will explain the report and its recommendations.

- First Sunday of each month
- A Maximum of four branch members will have individualized evaluations explained
- The format of the review will be an open discussion with the facilitators. No other people can be present.
- All information will be held confidential among the participants.
- Due to the lack of childcare facilities, we ask that you not bring your children.
- Pre-registration is required.
- Reports must be received one week before the session.
