Intervention and Intensive Instruction for Grades 2 – 12 and Adults

Wilson Reading System Introductory Workshop / Applied Methods

The Wilson Reading System is a comprehensive remedial program for students in grades 2-12 and adults with word-level deficits. This 15-hour introductory workshop provides hands-on practice and application of skills with the WRS Lesson Plan to effectively begin implementing the program.

Workshop Topics

- Reading research
- Principles of language structure
- How the WRS addresses the five areas of reading
- Program implementation
- Student placement, progress monitoring, and scheduling
- Creating a successful classroom environment
- Participants write lesson plans and practice lesson procedures

This course fulfills the prerequisite for Wilson Academy membership and WRS certification programs. One graduate credit (optional) is available through Endicott College.
